PEDALS PIPES & PIZZA Saturday, September 20th 9am-1pm

Pedals, Pipes, and Pizza is a program designed to introduce children and youth (ages 7-16) to the pipe organ and its music! Members of the American Guild of Organists will teach participants about the two organs at St. John Dublin (6135 Rings Road), guide participants through assembling the Orgelkids kit (a real, working pipe organ model!), and demonstrate the variety of sounds the organ can make. Children and parents are welcome to attend a free pizza lunch and enjoy some time at the organ console, assisted by our volunteers. This event will be most beneficial to those with some piano experience. We encourage parents to stay and observe.
