Lifewise Academy

We have been approached by Lifewise Academy to use our building during the school year for elementary children at Indian Springs. We would love to hear your feedback about bringing their program into our building. They would be looking for volunteers and also for experienced teachers from our congregation to help with the program one day a week in addition to the usage of our building. Check out [Lifewise.org](https://lifewise.org) for more information. We encourage you to speak with Pastor with any feedback or interest.

June 22 One Service and church picnic
